Dear Mr. Taylor:

The Division of Oil, Gas and Mining has reviewed the amendment to the referenced Notice of Intention to Commence Large Mining Operations (Notice) received October 31, 2013. Prior to issuing final approval, the Division requires the following:

1. The MR-REV-LMO form needs to be signed by an officer of the operator. If you want the Division to contact Dennis Oakley directly, please list him as a contact in the Notice.
2. Please submit a detailed reclamation cost estimate. Depending on this cost estimate, it may be necessary to modify the reclamation surety.

Thank you for your cooperation in completing this permitting process. Please contact Wayne Western at 801-538-5263 or me at 801-538-5261 if you have questions regarding this letter.

Sincerely,

Paul Baker
